***Sample Interview Consent and Release***

Subject Name:

(print)

Address:

Date:

The Illinois Mathematics and Science Academy is a learning laboratory that strives to nurture student learning through independent and scholarly pursuits. Student work is conducted under the guidance of IMSA faculty and staff who expect academically responsible behavior and endeavor. Historical and biographical studies can be greatly enhanced by interview.

1) The interview was conducted with my consent by \_\_\_\_\_.  
(student name)

2) The student has explained the project goals to my satisfaction.

3) I grant permission to the above named student to incorporate and use data and information obtained in the interview in scholarly work without remuneration, compensation, or royalties, acknowledging that the student may benefit both academically and monetarily.

4) I agree that the use and interpretation of information given during the interview is the student's.
