How Much Does the Pumpkin Cost?

Mita and Brook went on a pumpkin search. They wanted to find the best pumpkin around. Mita and Brook found the perfect gourd to make their Jack-O’-Lantern. The pumpkin was $10 plus one-half of its price. What was the price of the pumpkin? Be careful, it’s not as easy as it seems.

Make sure you include the answer and an explanation. This will tell me how you figured the correct answer. **You must give an accurate explanation.** Have fun! I am sorry that I did not have a new problem for September. It’s a long story. I hope you enjoy the problems this year. I will be looking forward to providing challenging and fun problems. Did you know that it would take 31 years, 251 days, 7 hours, 46 minutes, and 40 seconds to count to 1 billion (figuring 1 number each second)?
