Once an alum gives, it helps their class in the Class Challenge, and helps alumni participation overall. A win-win!

If it were me I’d sign up for recurring gifts and never forget to give again. I learned about it on the website – it’s really easy for me and IMSA.

It’s easy to give: online at www.imsa.edu/giving or imsa.givezooks.com, call 630.907.5040, or use the reply card via snail mail.

A gift at any level helps to reach that participation goal of 20%. A gift of any size will make a difference!

Alumni giving percentage is often the first statistic that the State looks at to determine funding for IMSA.

It’s important for alumni to give. What a great way to give back. And now we can get a sweatshirt? Cool!!

I’m a graduating senior and I know how important it is to give and show my support of IMSA. I donated $5 this year!

IMSA Alumni Giving Goal is 20% – we need you alumni! FY10 IMSA Annual Fund ends June 30, 2010, so make your gift today!
