6. We will diversify our funding to provide reliable and flexible financing.

ACTION PLANS – SPECIFIC RESULTS STATEMENTS

Strategy 1 - We will develop the whole person.

SPECIFIC RESULT 1.1: Create and sustain a diverse environment that values individual differences and uses these to enrich the community and improve performance, service, and interpersonal relations.

SPECIFIC RESULT 1.2: Establish conditions that value each individual’s contribution to the community.

SPECIFIC RESULT 1.3: Integrate personal growth into the PLP.

SPECIFIC RESULT 1.4: Provide opportunities for the intentional understanding and development of self and self in relationship with others.

SPECIFIC RESULT 1.5: Enhance the opportunities and programs to promote the academic, social and emotional success of students.

SPECIFIC RESULT 1.6: Encourage and support the individual development of community members to their fullest potential.

SPECIFIC RESULT 1.7: Enable staff to pursue their own passion through actions that advance the human condition.

SPECIFIC RESULT 1.8: IMSA students engage in service to advance the human condition.

SPECIFIC RESULT 1.9: Establish a culture which encourages every member of the IMSA community to act as good stewards of the environment.
SPECIFIC RESULT 1.10: Build a community that fulfills employees’ desires for growth, recognition and innovation, and that nurtures their emotional and professional commitment to advance IMSA as the world’s leading teaching and learning laboratory.

Strategy 2 - We will require students to pursue personalized plans of study, based on integrated learning experiences and assessed on the basis of individual mastery.

SPECIFIC RESULT 2.1: Identify "core" knowledge, skills, and experiences required within each content area.

SPECIFIC RESULT 2.2: Provide students with a common core.

SPECIFIC RESULT 2.3: Ensure that all students demonstrate competency in the requirements of the "core."

SPECIFIC RESULT 2.4: Evaluate learning standards and outcomes for each discipline in order to identify rigorous, credit-bearing non-traditional learning experiences.

SPECIFIC RESULT 2.5: Create a holistic PLP framework which encourages students to consider a variety of traditional and non-traditional, credit-bearing experiences.

SPECIFIC RESULT 2.6: Provide all students the opportunity to demonstrate mastery and obtain credit for any academic course in the IMSA curriculum beyond the core.

SPECIFIC RESULT 2.7: Facilitate the development of ethical citizens and leaders in the IMSA community.

SPECIFIC RESULT 2.8: Serve and partner with IMSA constituents via internal and external program involvement in PLP.

SPECIFIC RESULT 2.9: Assist all students in the development of a dynamic PLP starting at the beginning of and continuing through their IMSA experience.

SPECIFIC RESULT 2.10: Provide all incoming students with relevant learning style and conative/cognitive assessments for use by students, parents, staff, and faculty in the development and implementation of PLPs.

SPECIFIC RESULT 2.11: Assign responsibilities of PLP Director to an individual or group on campus.

SPECIFIC RESULT 2.12: Develop a matrix of PLP personnel to serve students.

SPECIFIC RESULT 2.13: Assign a team of PLP advisors to each student.

SPECIFIC RESULT 2.14: Develop an adaptable personalized plan of study for each student.

SPECIFIC RESULT 2.15: Complete a senior experience in which students reflect on their time at IMSA.

SPECIFIC RESULT 2.16: Connect the senior capstone experience to student’s final portfolio of PLP evidence.
**SPECIFIC RESULT 2.17:** Allow each student the opportunity to spend time deeply exploring a field of study addressing the human condition.

**Strategy 3 - We will expand the development, delivery, support and evaluation of IMSA’s products and services grounded in imagination and inquiry.**

**SPECIFIC RESULT 3.1:** Create an internal integrating structure to insure strong presence and influence in Illinois statewide policy-making and advocacy organizations related to STEM education (e.g., Illinois P-20 Council, ISBE, Illinois American Diploma project).

**SPECIFIC RESULT 3.2:** Present at least three comprehensive (programmatic and business) models for potential additional IMSA campuses to the IMSA Board of Trustees.

**SPECIFIC RESULT 3.3:** Focus IMSA consulting services for schools/school districts seeking to enhance inquiry-based integrative pedagogy in mathematics and science or to establish math/science schools.

**SPECIFIC RESULT 3.4:** Document existing mathematics and science products, programs and services within the pre-admission program and in three year academic residential program and evaluate their potential for expansion.

**SPECIFIC RESULT 3.5:** Establish professional development (PD) program for mathematics and science teachers, based on IMSA’s Core Competencies, for pre-service, beginning, and experienced teachers.

**Strategy 4 - We will generate scholarship that discovers, integrates, applies and transfers knowledge produced by our work.**

**SPECIFIC RESULT 4.1:** IMSA staff will participate in the generation of scholarship.

**SPECIFIC RESULT 4.2:** Construct a system of support and resources for staff that produce scholarship.

**SPECIFIC RESULT 4.3:** Establish effective methods of communicating scholarship internally and externally.

**SPECIFIC RESULT 4.4:** Establish mutually beneficial collaborative relationships with renowned and innovative individuals and institutions to produce research-based scholarship.

**SPECIFIC RESULT 4.5:** Develop an Educator Collaboration Program that will inform the discovery, application and transfer of IMSA scholarship, specifically to educators.

**SPECIFIC RESULT 4.6:** Every IMSA student will participate in a scholarship experience while at IMSA.
Strategy 5 - We will develop innovation and entrepreneurial talent and capacity.

SPECIFIC RESULT 5.1: Provide resources and incentives for staff and students to develop innovative and entrepreneurial endeavors that have the potential to advance the human condition.

SPECIFIC RESULT 5.2: Establish methods and processes for sharing and showcasing innovative and entrepreneurial ideas and projects.

SPECIFIC RESULT 5.3: Establish collaborative relationships to develop innovation and entrepreneurial talent.

Strategy 6 - We will diversify our funding to provide reliable and flexible financing.

SPECIFIC RESULT 6.1: Processes for budgeting and allocating scarce financial resources among competing programmatic needs drive systematic goals for all revenue sources.

SPECIFIC RESULT 6.2: Human Resource policies and procedures encourage and support employees engaging in activities that increase income to the IMSA Fund and IMSA.

SPECIFIC RESULT 6.3: Improved, comprehensive fundraising practices increase private contributions to the IMSA Fund and IMSA.

SPECIFIC RESULT 6.4: Corporate sponsorships fund IMSA.

SPECIFIC RESULT 6.5: Faculty, staff and students raise additional funds through grants.

SPECIFIC RESULT 6.6: IMSA’s intellectual capital generates earned income.

SPECIFIC RESULT 6.7: Venture capital investments in IMSA’s alums, students and current faculty and staff generate income.

SPECIFIC RESULT 6.8: Membership fees in Friends of IMSA provide additional contributed income.

SPECIFIC RESULT 6.9: The Academy receives increased funding from federal sources.
