

## Illinois Mathematics and Science Academy® *A Pioneering Educational Community*

IMSA actively seek grants and gifts to support a scholarship program to provide educational enrichment experiences for students who might otherwise not be able to participate due to financial challenges. Scholarship applicants must be currently participating in the free or reduced lunch program as defined by the Federal government to qualify for a scholarship. All IMSA Kids Institute FUNSHOP scholarships cover the full registration fee of the funshop, excluding transportation to and from the program and any incidentals. Applicants may apply for only one scholarship per student. Scholarships are only available for Illinois residents. **DEADLINE IS OCTOBER 1, 2010.** 

## 2010 APPLICATION FOR FUNSHOP SCHOLARSHIP
