

Day of Service 2012

Dear Class of 2015 Students and Parents,

The Class of 2015 will participate in the 5th Annual Day of Service on August 22th. This day is meant to promote class bonding and the altruistic spirit behind IMSA's mission and beliefs. The day will begin in the late morning with sophomores convening in the auditorium for a short, energizing "rally" before lunch and then boarding buses and minivans to go to various sites for a "Day of Service" from 12:45 – 3pm. Volunteer staff and upperclassmen will also assist and take part in the day. Some of the participating sites include:

Volunteer Nurses Association (VNA) (Aurora)
Peck Farm (Geneva Park District)
Living Well Cancer Resource Center (Geneva)
Feed My Starving Children (Aurora)
Batavia Wildflower Sanctuary
Fox River Clean Up (Aurora)
Kane County Forest Preserve
Hope Wall School-Aurora
Aurora Interfaith Food Pantry

Students will be provided with commemorative tee-shirts for the day. Due to the nature of some of the anticipated community service work (woodland, farms, wildflower sanctuary) it is requested that students wear closed shoes for the day. Note also that all volunteer work performed by students will be applied towards their community service graduation requirement.

Feel free to contact me if you have questions at linseyc@imsa.edu. I look forward to seeing you again in a few weeks. Enjoy the remainder of the summer.

Sincerely,

Linsey Crowninshield
Asst. Director of SLD-Leadership Education and Service
