

## *Class of 2015 Service Graduation Requirements*

### **IMSA Service Learning Goals**

- a) Students will self select service learning opportunities that reflect personalization in their learning.
- b) Students will develop skill sets through engagement in service learning.
- c) Student will demonstrate an increased engagement in service activities.
- d) Student will perceive the connection between civic mindedness and their actions and decisions.
- e) Students will gain awareness of how their actions impact a larger societal context.

### **IMSA Service Learning Rationale**

- a) IMSA has committed to Whole Development (Strategy 1) and Personalized Learning (Strategy 2) for our students.
- b) IMSA has committed to the belief statement that “Belonging to a Community Requires Commitment to the Common Good”.
- c) There is an identified global need for service oriented outreach.
- d) Integrative service opportunities lead to the holistic development of the student as a scientist and as a person.
