

## ILLINOIS MATHEMATICS AND SCIENCE ACADEMY

### 2012 /2013 Athletics

This will be the fourth season of competition in the Northeastern Athletic Conference (NAC). IMSA is a member of this conference and we are again looking forward to the competition and the relationships that will take place this season. Being in the conference has brought a sense of pride and an added competitive nature to the sports that we compete in. Also, conference play has already given IMSA the opportunity to build relations with similar schools that share similar values.

- IMSA has eight NAC Championship Teams
  - Girls Soccer (2009-2010) and (2011-2012)
  - Girls Softball (2009-2010) and (2011-2012)
  - Girls Cross-Country (2010-2011)
  - Girls Basketball NAC Tournament (2011-12)
  - Boys Golf (2010-2011)
  - Boys Cross-Country (2011-2012)

Here is a list of the sports that we will be competing within the conference:

- Baseball

- Girls Soccer
- Boys Cross-Country
- Girls Cross-Country

There are some sports that are not listed, and the reason for this is because there were not enough schools that offered this sport to have conference competition.
