

Dear IMSA Parents:

I am pleased to share with you the preliminary list of regional summer picnic dates, times, locations, and hosts. If you have an IMSA student in the Classes of 2013, 2014, or 2015, please mark your calendars for the picnic in your region (see list of regions and covered zip codes at the bottom of this e-mail). At this time, picnics have been set up in 6 of the 10 IMSA regions. I will communicate with you by July 4th on the remaining regional dates, times, and locations, which are in the process of being set up. If your picnic host is listed below, I suggest you e-mail the host to confirm your attendance and to find out what food, games, etc. the host would like families to bring.

The summer picnics are a great way to welcome new sophomores and their families to IMSA, to renew friendships among upper-class students and families, and to share practical advice among parents and students while having good food and fun. This is the only PAC-sponsored event over the summer for all IMSA families.
