**lauraleigh** Once an alum gives, it helps their class in the Class Challenge, and helps alumni participation overall. A win-win!

**shyam10** If it were me I'd sign up for recurring gifts and never forget to give again. I learned about it on the website – it's really easy for me and IMSA.

**lauraleigh** It's easy to give: online at [www.imsa.edu/giving](http://www.imsa.edu/giving) or [imsa.givezooks.com](http://imsa.givezooks.com), call 630.907.5040, or use the reply card via snail mail.

**lauraleigh** A gift at any level helps to reach that participation goal of 20%. A gift of any size will make a difference!

**imsafund** Alumni giving percentage is often the first statistic that the State looks at to determine funding for IMSA.

**shyam10** It's important for alumni to give. What a great way to give back. And now we can get a sweatshirt? Cool!!

**lauraleigh** I'm a graduating senior and I know how important it is to give and show my support of IMSA. I donated \$5 this year!

**imsafund** IMSA Alumni Giving Goal is 20% – we need you alumni! FY10 IMSA Annual Fund ends June 30, 2010, so make your gift today!
