SOPHOMORE PRIVILEGES: STUDY HOURS AND ROLLING CHECK CLASS OF 2015

Any sophomore (who meets the criteria) may request to have the removal of study hours (7pm-9pm) and have rolling check (6:30pm – 7:30pm). A sophomore requesting these privileges must complete the extension form and have the approval of their parent or guardian **AND** their Resident Counselor before the student receives these privileges. These privileges are available to all sophomores who meet the following criteria: a) solid academic standing (no C's or D's from the previous semester – if a student received two C's (C+, C, or C-) first semester and is not on Academic Probation, and is doing well academically after the 1st extended (no C's or D's), that student may request sophomore privileges, b) good disciplinary standing – no Tier II violations that includes suspensions or academic dishonesty, c) no more than eight points (unexcused absences or tardies) in any one class from first semester or second semester - if a student received 9 – 11 unexcused absences and/or tardies first semester, they become eligible for sophomore privileges after the first extended and d) no major obligations with the Business Office. A student is subject to loss of these privileges if their behavior indicates that they have not yet reached a maturity level of handling the increased responsibilities. The Residence Life Staff may also revoke the privileges if proven to be unmanageable.

REMOVAL OF STUDY HOURS: Sophomores, with permission from their parents **AND** Resident Counselor, will not have study hours during the week.
