FOR CHOIR

AUDITIONS for Choir

In order to participate in the IMSA Music program, all students must audition. The audition is designed to determine each student's preparedness for choir. Each student needs to sing "Happy Birthday" and a Major scale on 'la' or solfege. Before the hearing, Ms Wiggins will have an introductory conversation both to allow the student to see the opportunities in our program and to hear their musical experiences so far.

Students will be notified of the decision concerning placement when schedules are finalized. If, due to a serious unforeseen circumstance, a student does not audition, he/she will be placed in the less experienced choir.

For more information, you are welcome to contact Sarah Wiggins, Choral Director.
