

Evaluation Request Form

STUDENT: Please attach this “request for evaluation completion” letter to each of the evaluation forms for your mathematics, science, English, school Principal or Counselor and optional evaluator.

Dear _____;

I am applying for admission to the **Illinois Mathematics and Science Academy (IMSA)**, and I would like your evaluation of my preparedness for entrance into the Academy.

As a three-year (grades 10-12), residential, college preparatory program for Illinois students, IMSA offers more than 100 advanced courses in mathematics, science, the arts, and humanities with an emphasis on meaningful connections and integration. Personalized learning plans increase opportunities for students to deepen and strengthen their three-year academic experience. These plans also enable students to engage in learning unique to their interests, passions, and future goals. The innovative Student Inquiry and Research Program enables students to pursue compelling questions of interest and present findings of their original work. Through collaboration with other students, mentors, scholars, researchers, and inventors worldwide, IMSA students are able to conduct research and engage in entrepreneurial applied science and technology activities. IMSA’s unique schedule allows for special seminars led by world “masters”, academic consultation with expert faculty, and opportunities for academic work in leadership, community, and work service. Our entire faculty holds advanced degrees with over 50% holding a Ph.D. To promote collaboration, IMSA does not calculate grade point averages or class rankings. Tuition and most room and board expenses are provided by state funds. Some fees are charged based on family income and size.

It is highly selective, with admission determined by grades, SAT scores and qualitative factors, such as communication skills, demonstrated passion for math and/or science, and evaluations from teachers, counselors and others familiar with the applicant. Your assessment is critical to my application, and I thank you in advance for the time and thoughtful attention given to this evaluation.

Please retain a photocopy of the evaluation form for your records and submit electronically or return original forms directly to me prior to postmark deadline of March 1st, 2014. Thank you again.

Sincerely,
