

IMSA Parents' Association Council

Student Life Committee

Our mission is to enhance the quality of student life at IMSA by facilitating parent involvement with students and Academy personnel. We work with students, parents, faculty and residential staff, to help make your student's time at IMSA rewarding, educational, and productive.

Our meetings are held in room A148 at 9:00 a.m., one hour before the general PAC meeting. Join other parents, student council members, residential life hall staff (HC/RC) and IMSA staff to discuss topics of interest and concern relating to our students. Bring your questions, suggestions and concerns!

Student Life opportunities begin on move-in day to assist in gathering parent volunteer information minimally for a list of local parents that can host an ill child temporarily in their home until their parent can pick them up.

Additional sign up opportunities for volunteering may be available on move-in day, but are discussed and focused upon during a Parent Day meeting.

Student Life and IMSA parents also sponsor events on campus for students and their families that is called "*Saturday Something*". Our slogan is "Well... It's a Saturday and We're Doing Something TOGETHER!"

There are many volunteer opportunities under the umbrella of student life, some of which are coordinated within specific subcommittees. The Student Life committee and each of its sub-committees has a chairperson as well as a co-chairperson whenever possible.

The Student Life subcommittees are:

Friday Fest - coordinates themed dinners to serve the students meals donated by PAC and parent volunteers; a favorite of IMSA students (and parents).

Food Service (Sodexo) – attends regular meetings and reports on any new developments, changes or concerns of interest to the parents.

Parent Partners – encourages parents to provide wing dinners, activities, snacks, parties, etc. within the residential halls.

Senior Banquet – plans and coordinates all aspects of the banquet for the seniors and their families on the Friday before commencement.
