The 32nd IMSA Convocation

Main Gymnasium
1500 Sullivan Road - Aurora, Illinois

The Illinois Mathematics and Science Academy requests the honor of your attendance at our 2018 Convocation ceremony.

Convocation, an IMSA tradition, marks the beginning of the school year and serves to welcome students and staff to a community of scholars.

This ceremony is both an announcement and affirmation of the Academy's identity and purpose, *"to ignite and nurture creative, ethical, scientific minds that advance the human condition."* The ceremony also provides the members of the Academy the opportunity to establish and renew relationships with one another and welcome the Class of 2021. This tradition expresses the spirit of a dynamic learning community through a formal celebration which sets the tone for the upcoming year.

RSVP to Katelyn Lancaster at klancaster@imsa.edu or 630-907-5676.
