

## Service Learning

At IMSA, we believe in giving back to our community. Through our Service Learning program, you'll aid worthy causes while learning about community organizations, the working world and your impact as a contributing volunteer. All IMSA students complete 200 hours of service before graduation, including both on- and off-campus opportunities. You'll make friends, and you'll make a difference. Students have applied their learning in the real world through collaborations on- and off-site at more than 70 world-leading institutions, such as:

## Acclaimed Alumni

IMSA alumni have defined and redefined technology through their contributions in launching global, leading companies and products:
