

2019-20 STUDENT FEE INFORMATION – SOPHOMORES

IMSA's student fee structure is based on the National School Lunch & Breakfast Programs (the "National Programs"). IMSA assesses this fee on a six-tier sliding scale—\$5,145, \$4,225, \$3,295, \$2,385, \$1,465, and \$535—depending on the student's total family income and the number of family members in the household. The annual student fee (\$5,145) will be the same for each of the three years the student attends IMSA. Reduction in the annual fee is determined each school year, as described below.

Any family that wishes to apply for a fee reduction from \$5,145 must complete the National School Programs Application for Free and Reduced-Price Meals ("[National Programs Application](#)"), the instructions for which are included on IMSA's website (IMSA.edu). IMSA will not utilize or disclose personal information received from this form, except to determine a student's fee reduction.

If you choose to submit the National Programs Application, please complete and submit to the IMSA Office of Business and Financial Services before July 1, 2019. If you feel that your family's special circumstances merit consideration of financial aid in addition to whatever fee reduction your completed National Programs Application may qualify you for, please submit a written statement outlining these circumstances along with your application. The IMSA Office of Business and Financial Services will contact you as quickly as possible regarding the status of your student fee reduction application.
