### PSAT10 PSAT/NMSQT INFORMATION and REGISTRATION Class of 2021 and Class of 2022

On **Wednesday, October 16, 2019**, MSA will administer a mandatory PSAT/NMSQT to all members of the **Class of 2021**. The PSAT/NMSQT helps students prepare for the SAT and provides entry to the National Merit Scholarship Program, an academic competition conducted by National Merit Scholarship Corporation (NMSC). The results of the PSAT/NMSQT can qualify students for scholarships sponsored by the National Merit Scholarship Corporation.

On **Friday, February 28, 2020**, IMSA will administer a mandatory PSAT10 to all members of the **Class of 2022**. The PSAT10 provides practice for the PSAT/NMSQT. The results of the PSAT 10 will not be a part of the college application process. The PSAT10 is truly a practice test. Students will be able to use their test results to prepare for the junior year PSAT/NMSQT.

The PSAT10 and PSAT/NMSQT exam registration fees are handled by the Business Office. The fee this year is **\$21.00** (\$17.00 per test and \$4.00 to cover administrative costs) and it needs to be paid on My School Bucks/Power School.

The examination fee will be automatically waived for the Class of 2021 Tier 1 and Tier 2 fee waivers recipients at IMSA. The Class of 2022 Tier 1 and Tier 2 fee waivers recipients will be issued a full refund as soon as the business office determines each student's eligibility.
