Incident Discussion

- Dr. Torres, Dr. Hernandez, and Mrs. Berger provided the facts of the racist incident that occurred on campus
- Dr. Torres affirmed that multiple students are part of the ongoing investigation into the incident, but could not provide details as the process has not concluded
- During open forum, parents asked questions and/or make comments that ranged from supportive comments of the administration's actions to questions about the authenticity of the incident occurring
- The administration concluded by telling parents that they will keep the parents up to date on the situation

Parent Comments

- Powerful and informative
- I need to stop stressing my student out
- I learned a few better questioning techniques
- The school has a good support system, but let's make sure it is being implemented

****Please note that the PowerPoint posted on the PAC website provides extended details on the committee reports and the CAC report.***
