- The window will change and you will be presented with options to download several different applications available to you via IMSA's Adobe Creative Cloud License. We recommend downloading and installing the following applications to start. You will be able to add/remove others at any time.
  - o Creative Cloud – Desktop

  DESKTOP
  Creative Cloud

  - o Acrobat DC

  DESKTOP + MOBILE
  Acrobat DC

- Follow the instructions provided by Adobe to complete the installations.
- Once the Creative Cloud Desktop application is installed you can easily add other Adobe applications to your computer

Add/Remove Adobe Applications

- Login to your computer
- Open the Creative Cloud Desktop application

  Adobe
  Creati...

- Login using your IMSA account, if necessary
- Click on All Apps in the left side menu

  ::: All apps

- Find the application you wish to install and click the Install button. Follow the instructions from Adobe to complete the installation.

  Acrobat DC
  The complete PDF solution for a mobile, connected world.
  (Install)
