

2023-2024 IMSA Strategic Excellence Dashboard

North Star: Elevating IMSA everywhere through accessibility and sustainability

TARGET: JUNE 30, 2024

The strategic excellence dashboard is a tool used by the IMSA Cabinet to gauge strategic progress as we consider a 10-year plan. Targets are intended to be challenging as we strive to advance IMSA's vision. We will provide a report each two months on data available in order to reflect on our strategies and shift where applicable.

				
Build Artificial Intelligence Capacity	Rebuild Residence Halls	Construct New Diplomas/Seal	Formulate Partnerships	Develop Innovation Hubs
<p>Articulate the AI center experience (research/curricular connections) > <i>White paper for Center for Artificial Intelligence (including initial activities)</i></p> <p>Identify requirements for a Center for AI lab > <i>Physical and technical description and specifications for a Center for AI RFQ</i></p>	<p>Articulate re-envisioned student experience(s) > <i>White paper for residential life experience</i></p> <p>Continue government/community/legislative education and policy advocacy around conditions of halls > <i>Policy support that helps achieve the funding target</i></p> <p>Hire a Director of Development and professional agency, and pre-work for marketing and fundraising campaign > <i>Fundraising support that helps achieve funding target</i></p>	<p>Identify requirements for different diplomas/seal > <i>Requirements articulating new diploma and seal</i></p> <p>Assess curriculum and opportunity/access needs and plan remote course offerings for the following year > <i>3 courses identified</i></p>	<p>Pilot dual enrollment hybrid course offered to IMSA in-person and remote students > <i>8 non-residential students</i></p> <p>Explore additional PROMISE 2.0 partner institutions > <i>2 more identified</i></p> <p>Identify additional higher ed credit-bearing opportunities for the following year > <i>3 identified</i></p>	<p>Secure a partnership and plan to pilot an Innovation Hub the following school year > <i>Partnership and staffing with outreach and research/internship component</i></p>
